Getting to Know You!

Marci Stroupe

Marci is a long time poker player and supporter of Rose City Poker. A single mom to two boys, Marci owns Aurora Re-Sale shop and operates an E-Bay store. Her family owns Stroupe Farms which raises grain-fed cattle. Their beef jerky is delicious.

Marci hosts a wonderful game in Canby at Canby Grand Central Station. If you haven't had a chance to get out there, go check it out. Poker is ready to go in the upstairs banquet room.

Canby Grand Central Station offers an array of good home cooking favorites like mac & cheese (it ain't kraft), steaks and a happy hour menu with poker players in mind. You can also visit Marci on Monday's at Scotty's.

The Dougy Center Thanks You!

Our current charity is The Dougy Center. For those of you who are not familiar with The Dougy Center, they provide grief counseling services to children, teens, young adults and their families and care-providers.

The Dougy Center relies solely on donations, and

your donations have helped to provide services to a child for a full year! That is pretty awesome and your support is greatly appreciated.
